Racing Commission Proposes to Re-adopt Off-Track Wagering, Account Wagering Rules

NOTICE OF PROPOSED RULES

Date of Proposal: July 11, 2007

Proposal Number: PRN 2007-216

Proposal Description: The proposal is to re-adopt rules incorporated within N.J.A.C. 13:74, which generally establishes the rules governing off-track wagering and account wagering, and is scheduled to expire on November 30, 2007. N.J.A.C. 13:74 has been reviewed in accordance with Executive Order 66 (1978) and the Racing Commission finds them to continue to be reasonable, necessary and effective with regard to their intended purpose, which is to facilitate the state's Off Track and Account Wagering Act. Presently, the account wagering systems are operational, and one off-track wagering facility is already operating in New Jersey. N.J.A.C. 13:74 also references existing rules of the Racing Commission pertaining to the conduct of thoroughbred horse racing and harness racing in New Jersey, as well as the conduct of casino simulcasting, which is regulated jointly with the New Jersey Casino Control Commission. The proposed rule re-adoption appears in the July 16, 2007 edition of the New Jersey Register.
